

GREEN DOT PUBLIC SCHOOLS  
ADDENDUM / NOTICE OF CANCELLATION

RFP TITLE: Landscape Maintenance Services  
RFP NUMBER: FY27-002  
DATE: May 6th, 2026

NOTICE IS HEREBY GIVEN that Green Dot Public Schools (“GDPS”) is canceling RFP FY27-002 – Landscape Maintenance Services.

After issuance of the RFP, GDPS determined that one school site included within the original solicitation will no longer be part of the Green Dot Public Schools network. As a result, the scope of services identified in the RFP has materially changed.

To ensure a fair and competitive procurement process, GDPS has elected to cancel the current solicitation and intends to issue a revised RFP reflecting the updated scope of work and school site list.

Accordingly:

- RFP FY27-002 is canceled in its entirety.
- No contract award will be made under the current solicitation.
- All proposals received under the current solicitation are rejected.
- Vendors will be notified when the revised solicitation is released.

Green Dot Public Schools appreciates the time and effort invested by all participating vendors.
